

**360°  
airflow**

The Port-A-Cool Islander™ portable evaporative cooler is unlike any other cooler, creating cascades of naturally cooled air right where you need it. Six sets of louvers direct the cool, centrifugally-generated air in a 360° radius for optimal spot cooling.

Perfect for outdoor dining areas and patios, The Port-A-Cool Islander features easy to operate digital controls making adjustments in busy dining areas a breeze.
