

ecosoft water

Getting tough on hard water

Ecosoft Water & Port a Cool
have teamed up to give you the very best
in low maintenance,
cost efficient evaporative cooling.

When fitted with an Ecosoft Water 'Turbu-Flow'
water softener, you can enjoy the following added benefits:

- Eco-friendly hard water treatment
- Prevents Calcium Carbonate scaling
- Inhibits the formation of Algae
- Reduces operating costs
- Reduces system maintenance
- Reduces chemical usage
- Increases the life of the cooling pads
